Digital Storytelling Project Invention

- 1. What story do you want to tell? What message do you want to convey?
- 2. What audience do you want your digital storytelling project to engage/inform/persuade? Why?
- 3. What research are you likely to do to inform and support your digital storytelling project?
- 4. What visuals (text, static images, moving images, animations) are you likely to use? Why?
- 5. What audible elements (voiceover, music, sound effects) are you likely to use? Why?
- 6. What questions/concerns do you have?
